INDEPENDENT AUDITORS' REPORT

To the Members of Big Brothers Big Sisters of Saskatoon and Area Inc.

We have audited the accompanying financial statements of Big Brothers Big Sisters of Saskatoon and Area Inc. which comprise the statement of financial position as at June 30, 2016, the statements of revenues and expenses, net assets, and cash flows for the year then ended, and notes and schedules, comprising a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with Canadian accounting standards for not-for-profit organizations, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on our judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, we consider internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified audit opinion.

Basis for Qualified Opinion

In common with many charitable organizations, Big Brothers Big Sisters of Saskatoon and Area Inc. derives revenue from fundraising and donations, the completeness of which is not susceptible to satisfactory audit verification. Accordingly, verification of these revenues was limited to amounts recorded in the records of Big Brothers Big Sisters of Saskatoon and Area Inc. Therefore, we were not able to determine whether, as at and for the years ended June 30, 2016 and June 30, 2015, any adjustments might be necessary to fundraising and donations revenue and excess of revenues over expenses reported in the statements of revenues and expenses, excess (deficiency) of revenues over expenses on the statements of cash flows and current assets and net assets in the statement of financial position. This caused us to qualify our audit opinion on the financial statements as at and for the year ended June 30, 2015.

Qualified Opinion

In our opinion, except for the possible effects of the matter described in the Basis for Qualified Opinion paragraph, the financial statements present fairly, in all material respects, the financial position of Big Brothers Big Sisters of Saskatoon and Area Inc. as at June 30, 2016 and its results of operations and its cash flows for the year then ended in accordance with Canadian accounting standards for not-for-profit organizations.

Biography:

1. Significant accounting policies:

(a) Basis of preparation:

These financial statements have been prepared in accordance with Canadian Accounting Standards for Not-for-Profit Organizations in accordance with Part III of the CPA Canada Handbook.

(b) Use of estimates:

The preparation of financial statements requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amount of revenue and expenses during the reporting period. Significant items subject to such estimates and assumptions include the collectibility of accounts receivable, the estimated useful lives of building and equipment and the estimate of deferred revenue. Actual results could differ from these estimates.

(c) Cash and cash equivalents:

Cash and cash equivalents include cash on hand and balances with financial institutions which are highly liquid and which have an initial term to maturity of less than 90 days.

(d) Land, building and equipment:

Land is stated at cost. Building and equipment are stated at cost less accumulated amortization. Amortization is provided over the estimated useful lives of the assets using the following method and annual rates:

Asset	Method	Rate
Building Furniture and equipment Leasehold improvements	Straight-line Straight-line Straight-line	25 years 5 years 5 years

Notes to Financial Statements (continued)

Year ended June 30, 2016

1. Significant accounting policies (continued):

Grants for building and equipment purchases are deferred and amortized on the same basis as the assets to which they relate. Amortization of capital grants is netted against amortization of building and equipment for financial statement presentation purposes.

(e) Revenue recognition:

Grant revenue is recognized as earned based on the terms of the grant agreement. Grants received for special projects are recognized as revenue in the period the related expenditure is incurred. Other revenue is recognized as earned when receivable.

(f) Gifts in kind:

Donations of products and services are not included in these financial statements. Donations for tickets to local events which were distributed to children, families, and volunteers involved in BBBS programs were \$33,994 (2015 - \$24,565).

(g) Net assets:

The operating surplus represents the accumulated excess of program funding over program expenses and transfers to and from equity in land, building, and equipment.

Equity in land, building and equipment represents the unamortized cost of the land, building and equipment of BBBS net of related debt and applicable funding and recognizes that portion of net assets invested in land, building and equipment and unavailable for program funding.

(h) Financial instruments:

Financial instruments are recorded at fair value on initial recognition. Equity instruments that are quoted in an active market are subsequently measured at fair value. All other financial instruments are subsequently recorded at cost or amortized cost, unless management has elected to carry the instruments at fair value. BBBS has not elected to carry any such financial instruments at fair value.

Transaction costs incurred on the acquisition of financial instruments measured subsequently at fair value are expensed as incurred. All other financial instruments are adjusted by transaction costs incurred on acquisition and financing costs, which are amortized using the straight-line method.

With respect to financial assets measured at cost or amortized cost, BBBS recognizes in excess of revenue over expenses an impairment loss, if any, when it determines that a significant adverse change has occurred during the period in the expected timing or amount of future cash flows. When the extent of impairment of a previously written down asset decreases and the decrease can be related to an event occurring after the impairment was recognized, the previously recognized impairment loss is reversed in excess of revenue over

This long-term debt has been valued at the interest rate expected to be payable on a long-term debt instrument with similar repayment and maturity terms.

BBBS is exposed to interest rate risk arising on amounts invested in interest bearing cash and investment accounts with major Canadian financial institutions. BBBS is not exposed to significant market or credit risk. Short and long-term investments consists of guaranteed investment certificates which have nominal market risk. Credit risk related to cash and investment accounts is minimized by dealing with financial institutions that have strong credit ratings. Credit risk related to accounts receivable is considered minimal.

BBBS does not have any externally imposed capital requirements. Capital requirements consisting of surplus accounts and long-term debt are determined based on estimated financing requirements and prevailing economic conditions.
